

# CV Mixers

PROFESSIONAL AUDIO MIXERS

SPECIFICATION SHEET

**CVM-1624FXUSB**

**CVM-1224FXUSB**

**CVM-1022**

Cerwin-Vega has developed a new class of products to complement its highly-reputable loudspeaker and amplifier product lines, a complete line of small-format audio mixers featuring a wide selection of 10-, 12- and 16-channel models. Coupled with Cerwin-Vega's reputation of delivering performance and value for the money, the Cerwin-Vega professional audio mixer line supports a wide range of sound reinforcement applications from a church choir to a rock band performance. Take control of your sound system with a CV-Mixer.

---

## Mixing is making music.

---

Built into every CVM Series product is over 50 years of Cerwin-Vega! experience in excellent audio design.

- Premium grade components and signal paths deliver precision audio from all channels.
- Tough, all-metal housing satisfies the demands of a reliable and durable product necessary for portability.
- Easy to identify markings and color-coordinated knobs allow for intuitive operation.
- Inserts and AUX/EFX sends opens the mixers to the most unique requirements.
- Complete access to 100 VFX presets that digitally energize vocals and sounds.\*
- Digital audio USB input/output support for laptop playback and recording.\*

\*12 and 16 channel models only
